

Fees

Fees for project registration and carbon credit certification (forestry sector)

1. Fees for project registration and certification of greenhouse gas content (carbon credits)

ETM GROUP will consider charging fees arising from ETM GROUP's services according to the operating principles by setting a fee rate for applying for project registration and certification of the amount of greenhouse gases reduced/stored from the project **at a fixed fee rate. By charging the same fee for all projects at one rate. As follows:**

Activities that charge a fee	Fee Rates (Baht per request)
Application for Project Registration	200 usd
Project Writing Processing Fee	10000 usd
Application for Greenhouse Gas Certification (Carbon Credits)	15000 usd
Project Listing Fee	2300 usd
Carbon Credit Volume Fee	0.2 USD
Sales share fee	50%

Remark: The fee rate in the table does not include the rate of 7% VAT.

2. Fee Payment Procedure

- The applicant shall register the project/apply for carbon credit certification. Contact the project consultant of ETM GROUP only for correct understanding.
